RE: Call for Ozone Day Competition

Reference is made to the concept note of Rwanda Environment Management Authority (REMA) on World ozone day celebration which will take place at IPRC Musanze on 18th September 2023,

I would like to communicate to all staff and students that REMA is looking for innovative projects relating to cooling and cold chain with the purpose of fixing the ozone layer to reducing climate change and usage of technology accessible and affordable for all citizens.

All staff and students are encouraged to submit their projects not later than Tuesday 12th September 2023.

NB:

- The projects proposal must be submitted electronically through the email:

nemmy59@gmail.com

- The best three projects from IPRC Musanze will be awarded by REMA
